## ORDERING INFORMATION

We try to process orders within 72 hours, unless there are unusual circumstances. Please remember that our stock is spread between three locations (two stores and our warehouse). Occasionally items that are ordered by mail are at either of our stores and getting them to the warehouse for processing could add a couple of days to the delivery time.

We are generally deluged with mail, but we have a refined order processing system to help insure speedy delivery. We appreciate your orders and guarantee to give you the kind of material and service that we ourselves would like to get if we were buying by mail. We feel that our satisfied customers are the most important part of our business.

We send all orders United Parcel Service (if possible). They deliver in 4-10 working days. Orders requiring U.S. Post Office (Foreign orders, Alaska, Hawaii, military, and Post Office boxes take 2-4 weeks minimum, as the Post Office can be slow at times. Special Delivery and Airmail orders are usually sent via Post Office.

You may reserve any book(s) over the phone between 10:00 A.M. and 10:00 P.M. (PACIFIC TIME) at (213) 763-8330. Please do not call at any other times!

### ALTERNATES:

Many of the items in our catalogues are one of a kind, so please list alternate choices if at all possible. They will be used only if your first choices have been previously sold.

### SPECIAL ALTERNATE DISCOUNT POLICY:

You will receive a discount when you list alternate choices. You may deduct 5% from your total order if you list an equal value of alternate choices. If you list TWICE the value, you may deduct 10% from the total order. This policy is good at all times for all items found in the catalog.

### LAY AWAY PLAN:

You may reserve any amount of books totaling over \$25.00 by putting 20% of the total order as a down payment. The balance must then be paid within 45 days. If the balance is not paid within that time, you will forfeit your deposit.

### GRADING SYSTEM:

Books in the **G — VG** category may be in any condition from **GOOD** to **VERY GOOD**; books in **F — NM** category may be in any condition from **FINE** to **NEAR MINT**. As usual, satisfaction is guaranteed.

### PLEASE NOTE:

When ordering, you should specify the page number of the catalog the book is on as well as title, issue number, condition and price of all items you wish to order. Please print all information clearly. This will help speed the processing of your order!!

### SCHOOLS, LIBRARIES AND MUSEUMS:

The highly trained staff at the American Comic Book Company is glad to assist institutions in creating collections or filling out existing acquisitions. We are willing to advise prospective clients in most forms of popular paper culture — If you need help in acquiring materials, require appraisals of large collections, or have an interest in refining your collection, please do not hesitate to contact us — Special terms are available for institutions.

### TRADES / BUYING

The American Comic Book Company is always interested in trading for high quality material. Our minimum service charge for trading is 25%. Inquire further concerning trades. We are also interested in purchasing rare comics and related items. Let us know what you may have for sale.

### RADICAL WANT LIST SYSTEM:

If you wish to send your want list, send a specific list of items you are interested in obtaining immediately, along with \$3.00 for processing. We will check our enormous stock, including all the latest arrivals, against your list and respond with a list of all items available, individually graded and priced. Your \$3.00 processing fee is then refundable with any order placed for these items. We will refund your service charge in the rare event that we have nothing available on your list. Please allow 1-4 weeks for your list to be processed (remember again that we have our stock spread between three locations). This insures the most complete list of items available, as there are new arrivals almost daily. Please, serious inquiries only!

### COMIC BOOK CONVENTION NOTICE:

Members of The American Comic Book Company attend the major comic and fantasy conventions throughout the United States, including the PulpCon. Our representative(s) can bring items especially for you to pick-up — if we are attending; we will make special trips for unusually large orders. You notify us two weeks prior to the particular convention.

### SATISFACTION GUARANTEED:

You can be assured of prompt response and high quality material from this company. If you are unsatisfied with any item(s) for any reason, they may be returned within 7 days for an immediate refund or exchange, whichever you prefer. You, the customer, remain the sole judge of what is acceptable.

Welcome to the AMERICAN COMIC BOOK COMPANY'S MASTER CATALOG for 1980. Included is the largest selection of rare comic books and related collectables to be offered for sale anywhere. To assist our customers in making their selections we have photographed as many items as possible.

We are certain that everyone will enjoy seeing the many one of a kind items that we have made available for your viewing.

You may reserve items for one week by phoning our warehouse at (213) 763-8330. Mail orders will be filled in the order received. Please take advantage of our DISCOUNT PLANS. As long as you read and follow our ordering instructions you will get your orders FAST. Please save this list as it will be valid for over one year.

Our catalog has been basically arranged by time period. The earliest comics are first. All items have been arranged by publisher or type. Check the table of contents for the kind of comics you collect. LOOK FOR OUTLINED INFORMATION AND NOTES, PLACED THROUGHOUT THIS CATALOG. These will direct your attention to books and sections that are related to one another.

You will find the terms CLASSIC, SUPERB, OUTSTANDING, etc. used often in our descriptions. This is because we are heavily involved in research and seek out the finest material to offer our customers. We strive to insure that our giant inventory includes the most desirable books, highlighted by many obscure and rare items which are seldom offered for sale.

Use our radical want list system as we are constantly on the hunt for rare books. As this list goes to press we have just received a TREMENDOUS 1950'S SCIENCE FICTION COLLECTION. It's too late to list them but if you collect Fine or better E.C., Avon, or Ziff-Davis S.F. comics, send a stamp for a photocopy listing.

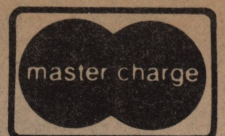

### SALE! SALE! SALE!

We are liquidating all items on our 1979 BOOK AND MAGAZINE LIST. Send \$1.00 for this list if you do not have it. It includes all MONSTER and HUMOR (MAD) type mags, vintage coloring books, a vast selection of fine condition children's books, thousands of movie posters and movie items, 1940's games and more. You must list alternates to take advantage of our discounts.
